

Your everyday purchases will help support OUR school every day!

Dear Parents,

Our school has enrolled in Shop & Earn, the year-round shopping program from Schoolpop as an easy way to raise needed money for our school.

Shop & Earn allows everyday shopping from websites, select stores and catalogs to support our school and it doesn't cost a penny extra! In fact, you can save money with the weekly merchant specials! Each purchase contributes a percentage back. There are two types of Shopping:

Online from websites: You just start shopping from www.schoolpop.com at hundreds of online merchants such as LandsEnd, Office Depot and Restoration Hardware. Check out our weekly Hot Deals as well as our seasonal promotions. There is always something new at www.schoolpop.com so come back (and shop) often!

Offline from select stores and catalogs: Just register your existing credits cards with Schoolpop's secure site. From then on ALL purchases you make with those cards at select Schoolpop in-store and catalog merchants like Eddie Bauer and Colwater Creek will support your school.
